Dear Applicant:

Thank you for your interest in University of Massachusetts Boston's **Marine Mammal Biology**. The program will run as follows: BIOL 340/540, June 18 - July 1, 2017. The application deadline is May 15, 2017.

I am enclosing with this letter an application form that contains information regarding requirements for acceptance into the program. I recommend that you read it carefully and send it back to us as soon as possible since the number of students accepted into the program is limited. Your application will be reviewed as soon as we receive all of the necessary documents and information. Notification of decision will be sent to you promptly.

We anticipate a very successful program and look forward to having you as a participant. In the meantime, for course related questions, you can contact the following people:

Course Instructor Stephanie Wood-LaFond at Stephanie.Wood@umb.edu

Program Director Elizabeth Boyle at Elizabeth.Boyle@umb.edu.

Elaine Sullivan, in the College of Advancing and Professional Studies, will also be happy to answer any questions you may have via email at Elaine.Sullivan@umb.edu or 617.287.7915

Cordially,

Wanda Willard

Director for Credit Programs
